Vendor Guide

Get ready to embark on an epic fiber adventure with the 4th Annual Bluegrass Yarn and Fiber Crawl! Hosted by the Kentucky Fiber Trail July 25th to August 3th 2025. It's the perfect chance to explore and celebrate some of the coolest fiber venues in the area!

The Bluegrass Yarn and Fiber Crawl is all about bringing together wool and fiber producers, artisans, retail locations, and agritourism spots. We're creating a network to showcase their incredible work and connect with fellow fiber enthusiasts.

Each location on the trail will have their own hours during the 9-day crawl. So make sure to check out our interactive crawl map and guide to plan your trip accordingly- not all locations will be open every day. You can participate for as many days as you like. There is no cost to participate outside of your personal travel and shopping expenses!

Don't forget to grab your passport- you can print your own from our website- It's your ticket to fun and prizes. Plan your journey, fill out your passport, get it signed and/or stamped at each stop, and hey, snap some pics along the way. You can even enter our hashtag and photo contests on Facebook and Instagram for a chance to win some fiber prizes!

But the best part of all? You'll get to meet some amazing fiber friends throughout the Bluegrass and, of course, do some awesome shopping! Prepare to be blown away by the talent and creativity of our community. This crawl is going to be a memory-making, treasure-finding, and friendship-building experience you won't want to miss.

Be sure to follow us on Facebook and Instagram and share your crawl with us using the hashtag #BluegrassYarnandFiber2025
